LETTER TO THE PATENT AND TRADEMARK OFFICE

TO THE ASSISTANT COMMISSIONER FOR PATENTS,
SIR:

Applicants listed incorrect Assignee information and did not indicate a request for nonpublication on the Application Data Sheet filed on October 1, 2003 respecting the above-referenced application. With respect to the Assignee information, page 2 of Application Data Sheet should have listed the Assignee name Michael M. Maurer, Jr. instead of Michael J. Maurer, Jr. Although applicants did not indicate a request for nonpublication on the Application Data Sheet, at the time of filing, and in compliance with 35 U.S.C. 122(b), applicants included a request for non-publication certifying that the invention disclosed in the U.S. application has not and will not be the subject of an application in a foreign country, or a multilateral agreement that requires publication at eighteen months after filing. Copies of the application cover sheet, indicating a request for nonpublication, and the Request and Certification as filed are enclosed for your reference. In accordance with 37 CFR 1.76(d)(3) & (4), Applicants respectfully submit herewith a Supplemental Application Data Sheet. Applicants also respectfully request a corrected filing receipt reflecting this correction.

Respectfully submitted,
